WORLD DEMOLITION AWARDS2018

ENTRY FORM

WORLD
DEMOLITION
SUMMIT2018

AVIVA STADIUM
DUBLIN, IRELAND

7-8 NOVEMBER, 2018

MANUFACTURERS' INNOVATION – PLANT & EQUIPMENT

DEADLINE: 30 JUNE 2018

GUIDANCE NOTES

- All entries must be on an official entry form (Word or PDF).
- The product must have been launched between 1 July 2017 and 30 June 2018.
- Entries should be in English. If you wish to enter in a different language, please contact Steve Ducker.
- You can enter for more than one award. You can also enter more than once in the same category. However, specific products can be entered for one category only.
- If you are sending in more than one entry, please use a separate form for each one.
- The awards statement should be 1,200 words maximum. It should be based on the award criteria.
- Supporting material can include your product specifications, drawings, diagrams, client testimonials, photographs, video and media coverage. But it is not limited to these items. However it should not include sales brochures or other promotional literature.
- If using a client or other third party testimonial, please confirm that you have their permission.
- The executive summary should be an edited version of the project summary. Maximum 250 words.
- Please supply your company logo and at least one high resolution jpeg photo.
- Send your entry and supporting material electronically to steve.ducker@khl.com
- If your entry is too large to e-mail (if it contains lots of photos or video it probably will be), please send by wetransfer, dropbox or similar.

AWARD CRITERIA

In this category, we're inviting manufacturers to tell us about a crusher, excavator, loader or other mobile plant for the demolition and recycling industry that they believe could win the award. Demonstrate the special features of the product and what makes it different from others on the market. Detail the specific research and development process that led to the launch of the product, highlighting any innovation and new technology. Show the design requirements the product had to meet and the full product specifications. There's no charge for entering the awards and we look forward to hearing from you.
